The mission of ACT is to develop and implement a unified approach to tourism programs to benefit the local economy by increasing visitation to Amador County. The ACT Visitor Center is open SEVEN days a week.

ACT is committed to increasing the value of tourism by working in unison to attract more visitors to our region, by branding the County; highlighting our scenic qualities, sharing our rich history, and defining our attractions. They ensure the protection and preservation of the aesthetic, historical and cultural foundations that make Amador County unique.
