Charles Peden

Telepathic communication with animals past and present

Charles Peden is a gifted animal communicator and psychic medium who works equally well with animals and spirits of the departed. Should you wish to connect better with your pets or you have a need for closure (or simply desire to check in) with a

departed family member or close friend Charles can assist.

Some of Charles clients are: Benicia/Vallejo Humane Society; Vero Beach Humane Society; ReHorse Rescue Ranch; Jack London Square; Doggone Detectives; Eastbay SPCA; Wag Hotels and Macy's.

When communicating with animals and spirits, Charles receives information as images, videos, physical sensations, emotions, sounds, smells and even taste. You can expect very accurate information such as physical descriptions, (no photos required) ages, significant dates, past injuries, favorite foods and more.

Animal Communication May Assist in:

- Re-enforcing Good Behaviors
- Understanding "Odd" Habits
- Resolving Relationship Issues
- Requesting a Favorite Memory
- Locating Missing or Lost Animals
- Obtaining Closure with Past Animals
- Mental and Physical Health Concerns
- Bringing a New Animal Into Your Home

This and That

This month's Rotary Theme:

VOCATIONAL SERVICE

Mike and Colin of the Amador County Historical Railroad Foundation were unable to make our last meeting. Rick jumped in with a presentation about an animal farm dedicated to teaching handicapped children about animals.

Rick had delivered a of miniature highland calf to the farm in Arizona. One of the more interesting things was that the calf traveled in style.....it was hauled down to Arizona in the back seat of Rick's Lincoln. The calf was in a cage, but it still had temp control and a cushioned ride.

Our Four Way Test

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and better FRIENDSHIPS?

Is it BENEFICIAL to all concerned?
